## Summary

The property is entered via a feature door that leads into a welcoming entrance hallway. This space features a tiled floor, two radiators, and two feature leaded windows to the front. From here, latched wooden doors provide access to the main bedroom and the lounge.

The lounge is a cosy and inviting space, with a gas wood burner style fire set against a feature exposed stone surround. Three leaded windows to the side fill the room with natural light. A latched wooden door leads into the kitchen/dining room, which features a range of wall and base units with wooden worktops and a solid floor. From here, a door leads to a dedicated utility room with space for a washing machine and shelving.

The property offers two well-proportioned double bedrooms, both with en-suite facilities. The main bedroom is a fantastic size and features four arched leaded windows to the side and a range of built-in wardrobes. Its en-suite includes a three-piece suite with a bath and shower attachment. The second double bedroom also benefits from two leaded windows and a skylight. Its en-suite features a tiled shower cubicle with tiled walls and flooring.

Throughout the house, notable are the lovely high ceilings, and the natural light that floods each room.

Outside, the property is complemented by a generous front garden with a lawn, various borders, and a range of trees and shrubs. This area also provides off-street parking for several vehicles. To the rear, a generous garden features a paved patio area, a lawn, and various trees, plants, and shrubs, all enclosed by boundary walls and trees. Adjacent is a portion of land where can be found a large detached outbuilding/workshop provides a superb additional space, with light, power, and water.
