13B DEVONSHIRE ROAD  
WESTBURY PARK, BRISTOL, BS6 7NG  
£450,000

A deceptively-spacious, three bedroom maisonette situated on a popular road within the heart of Westbury Park. Having been extensively modernised by the current owners, the property is presented in fantastic condition throughout, boasting a contemporary kitchen and bathroom, Victorian proportions and off-street parking.

## Summary

From Devonshire Road, an original front door opens into a short communal hallway, shared by only two flats, which leads to the entrance to 13B.

The front door opens into a useful entrance hall, offering storage for coats and shoes, with a staircase rising to the accommodation.

On the first floor, the main reception room is a generously-sized, full-width living space with a large, Victorian bay window to the front aspect with a second window adjacent - allowing for light to bathe the room throughout the day. Ample space is available for both living and dining if desired.

The kitchen/diner is situated at the back of the property, and comprises a range of base and wall-mounted units with sleek, gloss fronts and quartz-effect worktops. Integrated appliances include an electric oven, microwave, electric hob with extractor, sink, fridge/freezer, washer/dryer and dishwasher. Further space is available for a freestanding tumble dryer. A uPVC door opens to an external staircase, leading down to the garage.

Also on this floor, you will find a sizeable double bedroom, and a recently-fitted family bathroom, encompassing a white suite of toilet, sink and bath with shower over.

A dogleg staircase rises to the second floor landing, providing access to two further bedrooms. The main bedroom is a well-sized double, and makes the most of a fantastic dormer extension with a large window overlooking Devonshire Road. Built-in wardrobes span the length of the room, providing great storage space. Bedroom 3 is a well-lit, small double bedroom with skylight, which would also serve as an ideal home office or study.

The property comes with the use of a garage, accessed via a rear access lane, providing off-street parking for one car.
