Vendor's Comments

"I moved onto Clevedon road over 10 years ago, and have loved my time here. The neighbours are so friendly, and we are always helping each other and arranging street parties. This home will be perfect for someone who wants to bener the hustle and bustle of Gloucester Road, and all its conveniences, but also wants a quite peaceful road to come home to at the end of the day."

Approach

A front courtyard is bordered by a dwarf brick wall, with a tessellated pathway leading to the front door.

Free on-street parking is available on Clevedon Road.

Ground Floor

An original front door opens to an entrance vestibule, offering hanging space for coats, with a further doorway leading into the entrance hall; providing access to the principal rooms, and staircase to the first floor landing.

The front reception room boasts a range of original features, including stripped floorboards, cornicing, a pretty wood-burning stove and a large bay window to the front aspect. This space has been knocked through into the second reception room to create a bright, open-plan living space with stripped floorboards and a window overlooking the garden. Access is available to a large, understairs storage cupboard.

The kitchen has been thoughtfully-extended, creating a large, kitchen/dining area with tiled flooring, a skylight and double doors opening to the garden. The kitchen comprises a range of wall and base-mounted units with shaker style fronts and work surfaces, including an integrated fridge/freezer, dishwasher, washing machine and ceramic sink. Space is available for a range cooker.

First Floor

Ascending to the first floor landing, you will find access to a large loft space (which could be converted to a third bedroom STPP), as well as a storage cupboard. Accessed via the landing are two large, double bedrooms: the master spans the width of the house and features a cast iron fireplace and two windows to the front elevation. The second bedroom is also a spacious double with a window to rear.

Completing the first floor is a sizeable bathroom, encompassing a toilet, sink and bath with mains shower over.

Rear Garden

Perhaps one of the property's best features is it's south-westerly facing rear garden, which is primarily laid to artificial turf with an additional patio area. Low-maintenance in its nature, this space enjoys sunlight throughout the day.
