### Property Details

The apartment is accessed via communal entrance servicing two flats. As you step inside, you will be greeted by a welcoming hallway, accessing all internal rooms and fitted with smart wooden flooring and presented in contemporary décor.

The living space is a comfortable, open-plan area providing access to the private garden at the rear, and providing an ideal space for entertaining and relaxing - again decorated very tastefully in contemporary colours and complemented by wooden flooring. The kitchen area has matching wall and floor mounted units, space for white goods and a built-in oven, and fitted with modern patterned tiling.

From the hallway, there are two bedrooms, the master bedroom at the front benefiting from a large curved bay window, allowing natural light to flood the room. It also has ample space for wardrobes and other furniture. The second bedroom is a versatile space and is currently being utilised as a study, and looks out onto the garden.

Perhaps the highlight of the property is externally, where you will find a sizeable private rear garden which is laid mainly to lawn, with a decking area accessed directly from the lounge - ideal for alfresco dining. There is further outside space to the front of the property.

### Vendor's Comments

We have lived here for nearly 10 years and it has been a wonderful home. We love the area and the convenience of local shops as well as amazing restaurants and pubs within a 5-10 min walk. Having a garden has been perfect for summer BBQs! Everyone in the building is so friendly, it makes it a really lovely place to live.
