36 HOLMES GROVE
HENLEAZE, BRISTOL, BS9 4EE
£975,000

An extended four-bedroom, three-reception room double-fronted semi-detached residence with garage and off-street parking measuring approx. 2100 sq.ft. Located a short walk away from Henleaze High Street and offered with no onward chain.

Approach

The property boasts a classic 1930s double-fronted façade with beautiful, original stained-glass windows on the ground floor. Set back slightly from the road, the home is approached via a block-paved front garden with a low-level wall and mature shrubbery. A driveway with a flower border leads to the garage.

Ground Floor

A wide, welcoming hallway provides access to the ground floor's three reception rooms, kitchen, cloakroom, and bathroom. This space retains its original stained-glass window, doorway, and picture rails.

The front reception room is a bay-fronted space with good proportions. It features a stunning original fireplace complete with its mantel, surround, and hearth. The second reception room also boasts an equally impressive feature fireplace, along with picture rails and coving, and provides access to the rear garden via original patio doors. Adjacent, a third reception room, which would make an ideal breakfast room, features a fire surround with an electric fire and built-in storage in each of the recesses.

The kitchen is fitted with a range of modern, matching shaker-style base and wall-mounted units, with a gas hob, electric oven, stainless steel sink, and tile splashbacks. Completing the ground floor, the integral garage is accessible from the kitchen and rear garden, and due to its excellent size, it offers a workshop and storage space to the rear.

First Floor

The first-floor landing is wide and spacious, with natural light flooding in from a large stained-glass window. It provides access to four well-proportioned bedrooms, a bathroom, and a separate WC.

The front of the property houses two bedrooms, both of which retain a wealth of original features, including fireplaces, picture rails, and coving. Bedroom one is a well-sized, bay-fronted room, while bedroom two is slightly larger and offers a view of the rear garden.

Bedroom three retains an array of original detailing as well as in-built wardrobes. Bedroom four is a comfortable single room that would make for an ideal study.

The first floor is completed by a two-piece bathroom and a separate WC, offering excellent convenience.

Rear Garden

The rear garden is a truly beautiful space, with a favourable south-west facing aspect that ensures it is bathed in sunlight throughout the day. It is a level and well-sized area, divided between a patio, which is accessible from the rear reception room, and a larger lawn. The lawn features a number of flower borders, trees, and a pond. The garden also provides direct access to the garage.
