172 BISHOP ROAD  
BISHOPSTON, BRISTOL, BS7 8NB  
£995,000

A substantial (1750 sq.ft.) and light five-bedroom, three-storey 1920s family home with off-street parking, full-sized garage, and a large 100 ft southerly-westerly facing garden, located within the Redland Green School catchment area.

## Approach

The property's classic façade, featuring a double bay and mock-Tudor detailing, offers a wider than average plot. Set back from the road, a sloped driveway provides off-street parking for multiple vehicles and access to the garage. A front lawn and low maintenance flower border with mature shrubbery completes the front of the property.

## Ground Floor

The property is entered via recently installed double uPVC doors that lead into a tiled vestibule. From here, an original doorway with ornate colourful stained-glass windows opens into a welcoming light and spacious hallway with original oak flooring, and attractive wooden bannistered staircase. Internal access to the garage and ground floor WC is off the hallway.

The highlight of the downstairs living spaces is a spectacular 20ft wide south-westerly facing reception room at the rear of the property. Fully glazed sliding doors offer a fantastic view of the extensive gardens, leading onto a wide elevated sun terrace, showcasing the lawns, flower beds, and large field maple tree that is a feature of the 100ft garden. Another focal point of the room is the DEFRA-compliant large wood-burning stove fitted in 2022 with a bespoke Bath stone fire surround and mantle, custom built by a local master stone mason.

At the front of the property is a large second reception room with a stained glass bay window overlooking the front garden and flooded with light, perfect as a formal dining room, breakfast room or second sitting room. Glazed double doors lead from the rear reception room to the light and airy 20ft kitchen diner. This family-friendly space is fitted with a range of modern base and wall-mounted units and invites in plentiful natural light from windows on two aspects and a large roof lantern. A conveniently located utility room is just off the kitchen with space for washing machine and dryer and large fridge freezer, along with plenty of storage.

Completing this level is a secure full-sized garage, which is accessible from the hallway and provides full through access via a door to the rear garden and at the front to the driveway.

## First Floor

The first floor offers a spacious landing with three well-proportioned bedrooms. The front bedroom is a large double with a newly double glazed bay window that incorporates the original stained glass. The second double bedroom offers lovely views over the large garden and across the Bristol rooftops towards the Downs. The third bedroom, also at the front of the house, is perfect for use as a single bedroom, home office, or study.

Completing this level is a white three-piece family bathroom, which features a bath with a shower over and glass shower screen, a WC, and a basin, all complemented by fully-tiled walls and flooring.

## **Second Floor**

The second floor is a full loft conversion commissioned by the current owners in 2022, creating a light-filled master suite with views across Bristol, a full ensuite bathroom, and a second bedroom.

The master bedroom offers a relaxing private space with elevated, far-reaching westerly views across the rooftops of Bishopston and Redland through French doors, with a glazed Juliet balcony. It also provides access to a bespoke en-suite bathroom, which features a three-piece suite with mosaic tiling, an oversized bath with a shower-over, a WC, and basin with built-in storage.

Adjacent to the master is a second bedroom, which also offers the option of a guest room, study, or dressing room. This room offers substantial eaves storage spanning its full width and a built-in double bed with more storage beneath.

## **Garden**

The property offers a superb, south-westerly facing garden measuring in excess of 100 feet. A sun-trapped full-width elevated terrace, which is ideal for al fresco dining and entertaining, can be accessed directly from both the kitchen and the lounge.

Steps from here lead down to a large lawned area, which features a number of mature trees, flower beds, borders, and a paved pathway that leads to a wider second private patio towards the end of the garden and also a storage shed and sun deck. This is a tremendous space, perfect for relaxation as well as barbecues and entertaining, offering privacy, greenery, space and light, ideal for growing families, nature lovers and keen gardeners to enjoy.
