

MAGGS
& ALLEN

1 STANLEY AVENUE
FILTON, BRISTOL, BS34 7NQ
Offers In The Region Of £395,000

A much-improved and substantially extended three-bedroom family home with a tremendous, southerly-facing rear garden with garden room.

Summary

Double uPVC doors open into an inviting entrance hall, which in turn provides access to the principal rooms and understairs storage. The front reception room features built-in storage and shelving, as well as a fireplace and bay window to front. Towards the end of the hall, you will find a second, large reception room which has been opened up to create an open-plan, generous living/dining space with wood-effect flooring throughout.

A wide opening leads through to the kitchen/diner, which is fitted with a range of wall and base-mounted units with work surfaces, integrated electric oven and grill, gas hob and sink with drainer. There is also further space available for a fridge/freezer, washing machine and dishwasher.

Also on the ground floor is a spacious conservatory/lean-to, which is currently used as a play room by the current owners. The space is currently accessible externally, via the front or rear garden, however a door could be created from the second reception room to integrate the room into the interior.

Upstairs, you will find three generous bedrooms, encompassing two double bedrooms and a single/office. The family bathroom has been tastefully decorated and comprises a bath with shower over, sink and toilet.

To the front of the house, a large tarmac driveway provides off-road parking for multiple cars. To the rear, the southerly-facing garden is an excellent size, and primarily laid to lawn with a patio area for entertaining - a real highlight of an overall outstanding offering.

To the far end of the garden, you will find a useful garden room, which could be utilised as a studio, entertainment space or home office.
