& ALLEN

17 STANLEY AVENUE  
FILTON, BRISTOL, BS34 7NQ  
£335,000

A mid-terrace 1950s three-bedroom residence with secure garage, southerly-facing garden and extended living areas. Offered to the market with no onward chain.

## Ground Floor

Accessed via vestibule with a uPVC front door, you will in turn enter the hallway. With understairs storage and meter cupboard, the hallway provides access in turn to each of the reception rooms and the kitchen/breakfast room.

The front reception is a bay-fronted room with uPVC windows to the front elevation, picture rails and fireplace to the far wall, and has been used as a lounge by the current owners.

Behind this is the second reception room, historically used as the dining room and with fireplace to far wall, picture rails and glazed sliding doors leading to a sun room at the rear.

Completing the ground floor is a kitchen fitted with a range of base and wall-mounted units, with space for a breakfast table, and in turn leading to the sun room. Whilst in need of modernisation, we are advised that the kitchen is in good working order.

## First Floor

Ascending to the first floor landing, you will be greeted by the three bedrooms and family bathroom.

The master is a generous double room with bay-window to the front elevation and built-in storage to the far wall. Adjacent is a single room ideal as a study or child's bedroom.

The third bedroom is another generous double, again with built in storage overlooking the garden below.

The bathroom is fitted with a three-piece suite including shower-over-bath.

## Externally

The rear garden of the property is a real highlight; a southerly aspect making it particularly pleasing. At the far end is a secure double garage accessible both from the garden and via the rear lane.

The approach to the front is a low-maintenance front paved garden leading to the vestibule.
