OLD MARKET, BRISTOL, BS2 0FF
£190,000

A smart one double-bedroom ground floor flat with secure, allocated off-street parking located in a central location. Offered to the market with no onward chain.

Summary

The flat occupies part of the ground floor of the former Soapworks, a beautiful period building with Byzantine style architecture that has been entirely redeveloped. A secure gated entrance at the front of the building leads to parking at the rear, with an allocated space for the flat.

An entrance with intercom system and fob entry in turn leads to the apartment.

Located towards the front elevation is found the kitchen/living space; notable due to the impressive proportions and two large front-facing windows that fill the space with natural light. The kitchen comprises a range of fitted base and wall-mounted units and vinyl flooring.

From the hallway is access to a double bedroom, three-piece bathroom with shower-over-bath, and a storage cupboard.
