Behind its timeless facade lies a spacious and adaptable interior, seamlessly blending traditional character mixed with modern comforts such as under floor heating in the kitchen and sitting room. A driveway offers parking for at least two vehicles in front of the double garage, with additional parking opposite.

There are two entrances to the property with a welcoming boot room entering into a sitting room with centrally appointed wood burning stove and doors to a small rear courtyard. The kitchen/breakfast room is fitted with a range of units including a sociable breakfast bar, with dining/family room beyond that offers an array of opportunities and has a staircase which leads up to the first floor conservatory. There is also a wet room on the ground floor. The main staircase is located in the sitting room leading to the first floor with two bedrooms and a family bathroom. Two lovely second floor bedrooms are located via separate staircases on the floor above, offering privacy and character, ideal for guests or creative spaces.

A double garage offers additional parking or a potential workshop with a useful room above that could easily be used as a home office. The gardens are a true nature lover's haven, thoughtfully

cultivated to attract butterflies, pollinators, and wildlife. They are located opposite the cottage, leading down to a gentle stream, and are also found to the front and rear of the property—offering multiple peaceful spots to enjoy the natural surroundings.
