Situation.....

Langley Park is perfectly positioned on the sought-after south-eastern outskirts of Maidstone, offering a superb balance between countryside living and everyday convenience. Set within a peaceful, semi-rural setting, the area is ideal for buyers looking to escape the pace of town life without sacrificing accessibility.

Surrounded by beautiful Kent countryside, residents can enjoy scenic walks across the North Downs, riverside strolls along the Medway, and days out at nearby green spaces such as Mote Park – a 440-acre park centred around a stunning lake. The historic Leeds Castle, often described as one of the most picturesque castles in the world, is also just a short drive away, offering year-round events, gardens and leisure activities.

Despite its tranquil setting, Langley is exceptionally well connected. Maidstone town centre is within easy reach, providing a wide range of shopping, dining and leisure options including Fremlin Walk shopping centre. For commuters, Maidstone East station offers direct services to London Victoria in under an hour, while the nearby M20 provides swift road links towards London, the coast and the wider motorway network.

The immediate area continues to grow in popularity thanks to its excellent local amenities. Within close proximity you'll find everyday essentials including supermarkets, a Toby Carvery, healthcare facilities and a newly established primary school, making it particularly appealing to families. In essence, Langley Park offers the best of both worlds – a calm, countryside-led lifestyle with all the connectivity and convenience of a well-served county town.

What the owner says.....

I bought this house off plan, and opted for added extras. What drew me most was the cul de sac location and for a new build a good size garden.

I've enjoyed living here it's very quiet, good community and you have the country feel but near enough to the main town.

If you have, or thinking of family there's a good school within walking distance. There's a supermarket near which is very handy, and lots of country walks with lovely pubs at the end for a well earned reward.
