What the owner says.....

This house was been in our family for over 40 years. I grew up here and have many happy memories of the village and this cottage. There are so many nice countryside walks or bike rides on your doorstep and the views at the front are the icing on the cake.

Sadly my parents are no longer here and whilst we have a huge attachment to the house, it's time for it to become a lovely home to a new family who will hopefully enjoy it as much as we have.
