## Situation.....

Aylesford village is a true gem that we can't help but adore! It exudes an incredible community spirit and boasts an array of historic properties and enticing dining spots. Our top pick is The Hengist, a newly refurbished restaurant, bar, and brasserie with a delightful al-fresco terrace. For a more traditional experience, The Chequers is a pub that serves food and boasts a stunning riverside terrace. Alternatively, you can indulge in light bites at The Village Pantry or grab a pint and some pub grub at The Bush. You'll have endless options for scenic strolls, with riverside walks, countryside hikes, and The Friars, an ancient religious house with a cafe, farmers market, and tranquil gardens right on the village's edge. Aylesford boasts a good rated primary school in the centre of the village and an outstanding rated primary just outside the village along with a secondary school in the wider Aylesford area. Shopaholics will relish the proximity of an M&S food store, Sainsbury's, and an Aldi just up the road. Commuters are well-catered to, with London-bound services (changing at Strood) from Aylesford station, while Ebbsfleet International is just 23 minutes away by car, with trains to London St. Pancras in a mere 19 minutes. Plus, both the M2 and M20 motorways are a stone's throw away. And if all that isn't enough, Maidstone's County Town is just 4 miles away, offering a plethora of retail, educational, and recreational facilities.

## What the owner says.....

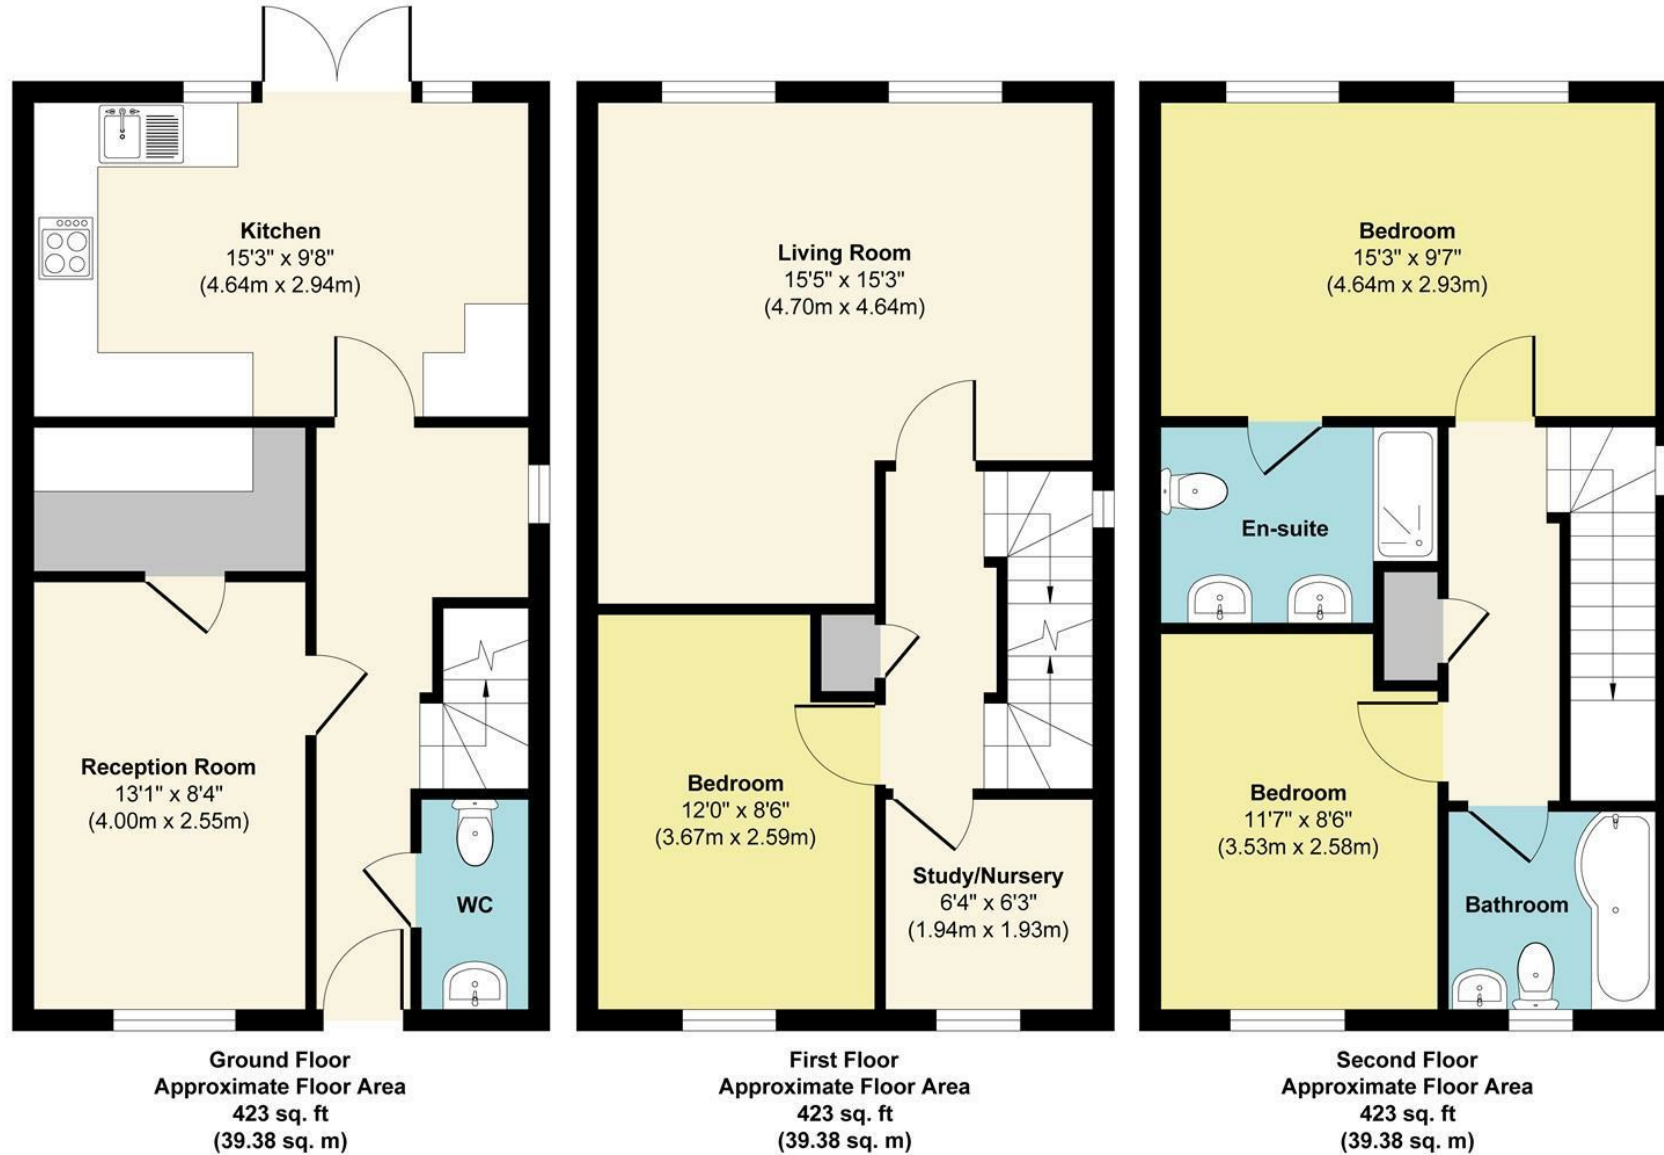

We have really enjoyed living at 22 Bridge Place, our first home we bought after years of renting and have personalised it to become the home we have loved for the last 7 years. We chose the street as we had always lived in the area but previous homes had been on busy roads - Bridge Place fitted perfectly as it was the right balance between being quiet, surrounded by trees and with no through traffic, but also close by to the train station and motorway, and the local shops. The street has a nice community feel, and we have loved going for walks nearby along the river or up into the woods. The garden has been a haven for us, and in covid lockdown we created a secluded calm space under the pergola, which is not overlooked and feels relaxing and tranquil. We also spent a lot of time redecorating and improving the interior of the house. It will be sad to leave this home as we have made it a safe homely space that will be difficult to recreate.
