Situation.....

If you have a soft spot for tranquil countryside strolls, Eccles is the perfect village for you. Discover Neolithic stones at Kits Coty or take in the idyllic Chapel Down vineyards on your leisurely walk. Cap off your excursion with a stop at the dog-friendly village pub, The Red Bull.

Just beyond the village lies The Friars, an ancient religious house open to visitors and offering a serene garden, cafe, and farmers market. Local amenities include a village shop with postal services and a doctors' surgery.

If you have young children and prefer a quaint village school, St. Marks primary school is a mere stone's throw away, boasting a Good rating in the latest Ofsted inspection and serving around 120 pupils (as at 2022).

For commuters, the M2 at the top of nearby Blue Bell Hill or the M20 at the bottom are easily accessible. Eccles village is a mere 22-minute drive (16 miles) from Ebbsfleet International Station, offering frequent trains to London St. Pancras in as little as 19 minutes.

What the owner says.....

Prior to moving to Eccles in 2015, we knew very little about the village, and only envisaged staying for a short time. We soon got to work on making changes to the house to accommodate our growing family, installing open plan kitchen and dining room, and new bathroom and w/c. The changes we feel have made the home far more conducive to raising a young family, as well as additional functionality when entertaining.

It was when our children started attending the local pre-school (Eccles Pre School) and then the local Primary School (St Marks CofE School) that our love of the local area really began. We have enjoyed watching our children grow up in a small village community and they, along with us, have made friendships that will be lifelong. The spontaneous gatherings on the way home from school, meet ups in the village pub, and festive events in the village and within our own cul-de-sac, have created cherished memories.

During the covid-19 pandemic, we really appreciated some of the stunning local walks available on our doorstep. We would often make our way up to the top of Blue Bell Hill picnic area (an area of outstanding natural beauty), to the historic Friars in Aylesford, or through the local Kits Coty vineyards.

We also made use of our own swimming pool, entertaining the children's friends and teaching our own children how to swim. This has been a real asset for us, enabling us to keep the children healthy and active, without having to leave our own home.

It is fair to say that in 2025, we are now moving on with a heavy heart, as we will miss the lifestyle and friendship that our home, the local community and the location has afforded us.
