Situation.....

Looking for a modern purpose built village surrounded by countryside that's close to the Rochester, Maidstone and West Malling? Peters village might just be what you're looking for. This new community sits on the banks of the River Medway and boasts its own shops, medical center, and village hall with changing rooms to serve the playing fields. Plus, with easy access to Wouldham Primary School (Ofsted Good), families with children can feel confident in their educational opportunities.

Outdoor enthusiasts will love the nearby North Downs Way and River Medway walks. And when you're ready to refuel, head to The Medway Inn for a classic Sunday roast and pint of real ale, or check out the adjoining Ruby's Indian restaurant for a little spice. Commuters will appreciate the ease of access to the M2 and M20 motorways via nearby Blue Bell Hill. For those who prefer public transportation, Halling Station is just a short cycle or drive away (1.5 miles) with trains to St Pancras International as quick as 46 minutes (including a change), while Ebbsfleet International is just 19 minutes (12.6 miles) away by car, with trains to London St. Pancras in a mere 19 minutes. Don't miss out on the best of both worlds with Peters village.

What the owner says.....

This home has been our very own haven. We have watched the growth over the past eight years, from buying a new house, which became a home in this beautiful and friendly village this community now enjoys. From cycling along the river and country walks right through to the easy access to the A2 and M20, this has been a wonderful time in our life.

This home has provided us with a happy, safe environment to live in, with lots of lovely neighbours that have become friends … we will be sad to leave here, but needs must and it's too far to commute to Norfolk!
