What the owner says.....

We will always have such special memories of this house. It has been the most wonderful place to start our family. We moved in while expecting our daughter, and it has been the perfect home to watch her grow in over the last four years.

What we instantly fell in love with was the amazing location and village feel. We've made so many lovely memories here, from weekend walks to the park—which is just a stone's throw away—to enjoying a family lunch at the Red Bull pub, which is just as close.

This home has provided us with a happy, convenient life. It's the perfect blend of a peaceful village, yet you have absolutely everything you need within a 10-minute drive. We have created countless happy memories here and will be truly sad to say goodbye, but we know the next owners will enjoy this home just as much as we have.
