### The Area

Station Road sits in a highly convenient position on the edge of Hailsham town centre, offering easy access to everyday amenities while still feeling slightly removed from the busiest parts of town.

Within a short walk you have Hailsham High Street with its range of independent shops, cafés, supermarkets and essential services, along with Vicarage Field Shopping Centre. The Cuckoo Trail is also close by, providing miles of scenic walking and cycling routes connecting Hailsham to Polegate, Heathfield and beyond.

For families, there are several well regarded primary schools nearby including Grovelands Community Primary School and Hawkes Farm Academy, with Hailsham Community College serving the secondary catchment area.

Although Hailsham does not have its own railway station, Polegate station is approximately a ten minute drive away, offering direct links to Eastbourne, Lewes, Brighton and London Victoria. Road links are strong, with easy access to the A22 and A27, making commuting straightforward.

The area is popular with a mix of buyers including first time purchasers, families and downsizers, largely due to its accessibility, established residential feel and proximity to open countryside. Hailsham Country Park and surrounding rural walks are just a short distance away, giving residents the best of both town and country living.

Station Road offers practical, well connected living in a location that continues to see steady demand from both buyers and tenants alike.
