The Area

Hailsham is a popular and thriving market town that offers an excellent balance of community spirit, convenience and countryside surroundings. The town provides a wide variety of independent shops, supermarkets, cafes and eateries together with regular markets and local events that help create a welcoming atmosphere.

There are several well regarded primary and secondary schools within easy reach, along with leisure facilities that include parks, sports centres and scenic walking routes. The nearby Cuckoo Trail provides miles of safe cycling and walking through beautiful Sussex countryside.
