Property description

A fine building connecting two era's of construction which blend seamlessly together. The more modern stone building to the front is linked to a former stone built barn. Please be advised that in two areas of the barn the integrity of the structure has been compromised and requires professional attention. Should you be looking to mortgage the property please discuss with your lender beforehand to ensure their agreement to lend. Proof of this will be required should you submit an offer.

The accommodation.

Entering via the modern stone part of the building, the generously proportioned kitchen breakfast room can be found here which is very well provided for in respect of cabinets at base and high levels. There is a built in oven, sink unit with extensive work surfaces and tiling to the flooring and all splash areas. Windows are located on three differing aspects. A cupboard houses the gas fired boiler serving the domestic heating and hot water systems. An open walk through gives access to a room of flexible use, breakfast room, home office etc. A central hallway has double doors opening into the hard landscaped garden with an additional door opening to the courtyard at the rear. Off this hallway is a convenient shower room with WC and Washbasin, shaver socket and light. A further door opens to the: Sitting room with a dramatic vaulted ceiling and impressive floor to ceiling brick built fireplace housing a gas fire. The fireplace is set against a background of exposed stonework. This room is awash with natural light having glazed double doors to the garden and courtyard. Leading off is a ground floor bedroom, this is the Master bedroom with exposed stonework and timbers to the walls and again featuring a striking vaulted ceiling. A door opens to an en suite bathroom, this room is exceptionally large, fully tiled and inclusive of a full size bath, washbasin and WC.

On the first floor, off the landing where there is a built in airing cupboard there are three further bedrooms and a family bathroom.

Outside. Very unusually, being in the centre of town there is an extravagant area of gravel based parking which can accommodate several vehicles. A gated access opens to a walled and fenced garden which is hard landscaped. An additional area of garden is located at the rear with a useful storage shed.
