2 Michaels Meadow

South Normanton, Alfreton, DE55 2UB

£800,000 (offers over) Completely re-imagined for modern family life.

Occupying approximately one third of an acre, tucked away on a quiet cul-de-sac and looking out across open countryside, this is a home that has been transformed with real vision.

Extending to approximately 2,970 sq ft, the current owners have created something exceptionally well considered: a home that balances family life, entertaining and working from home without compromise. There are four generous double bedrooms, four reception spaces, a dedicated home office and an indoor heated swimming pool, all wrapped within striking, contemporary interiors.

The heart of the house is wonderfully social, with a statement island kitchen flowing into open-plan living and dining space, while separate reception rooms give a growing family the freedom to spread out. Outside, beautifully landscaped gardens create another extension of the living space, with open countryside forming the backdrop.

Its transformation isn't purely aesthetic, either. 19 solar panels and a substantial five-battery, 25kW system give the property impressive eco credentials and bring modern efficiency to a home of this scale.

Bold, beautifully transformed and incredibly versatile, this is modern family living done properly.
