Meadow Croft Highstairs

Stretton, Alfreton, DE55 6FD

There's something wonderfully romantic about Meadow Croft. With its Arts & Crafts influence, beautifully considered interiors and gardens that seem to dissolve into the countryside beyond, this is a home that feels every bit as special as its setting.

Occupying approximately half an acre, with tranquil open countryside wrapping around the property and far-reaching rural views from almost every aspect, Meadow Croft is a lifestyle home in the truest sense. Pretty, characterful and incredibly inviting, it has been thoughtfully re-imagined for modern life without losing the charm and individuality that make it so distinctive.

Its Arts & Crafts heritage can be felt throughout the architecture; a home designed with character, craftsmanship and a connection to its surroundings at its heart. Today, those qualities have been complemented by beautifully styled interiors and contemporary additions, creating somewhere that feels elegant without being formal and luxurious without losing its warmth.
