Harewood Moor Grange

Harewood, Peak District, S42 7HR

An outstanding farmhouse set within the heart of the Peak District National Park, nestled in approximately 3 acres of grounds that include beautifully landscaped private gardens, adjoining paddocks, two characterful barn conversions, a superb studio/gym and a collection of further ancillary buildings, including a three-bay Dutch barn.

This remarkable home has been thoughtfully and sympathetically restored, retaining original period features throughout, whilst providing spacious, versatile accommodation. Every room enjoys far-reaching views across the grounds and surrounding countryside — a truly rural setting, yet one that offers surprisingly easy access to nearby towns and commercial centres.

The main house offers three reception rooms and a farmhouse-style breakfast kitchen to the ground floor, with three bedrooms and two bathrooms to the first floor. The gardens wrap around the property and extend into enclosed paddocks, while the collection of outbuildings includes a Dutch barn and stable block — perfectly suited to those with equestrian interests.

The barn conversions provide two beautifully finished, self-contained one-bedroom cottages, together with a substantial studio/leisure suite, all completed to the very highest standard.

The location is highly sought after, offering an idyllic countryside lifestyle with glorious walks and open scenery on the doorstep. Whilst the position is undoubtedly rural, nearby villages provide everyday amenities, and Chesterfield and Sheffield remain within easy reach by road or rail.
