Stockport

If you live here, you already know, Stockport is on the up. If you don't, now's your time to get in and be a part of the movement. On the look? There's no better place to be and feel a part of it than Stopford Park.

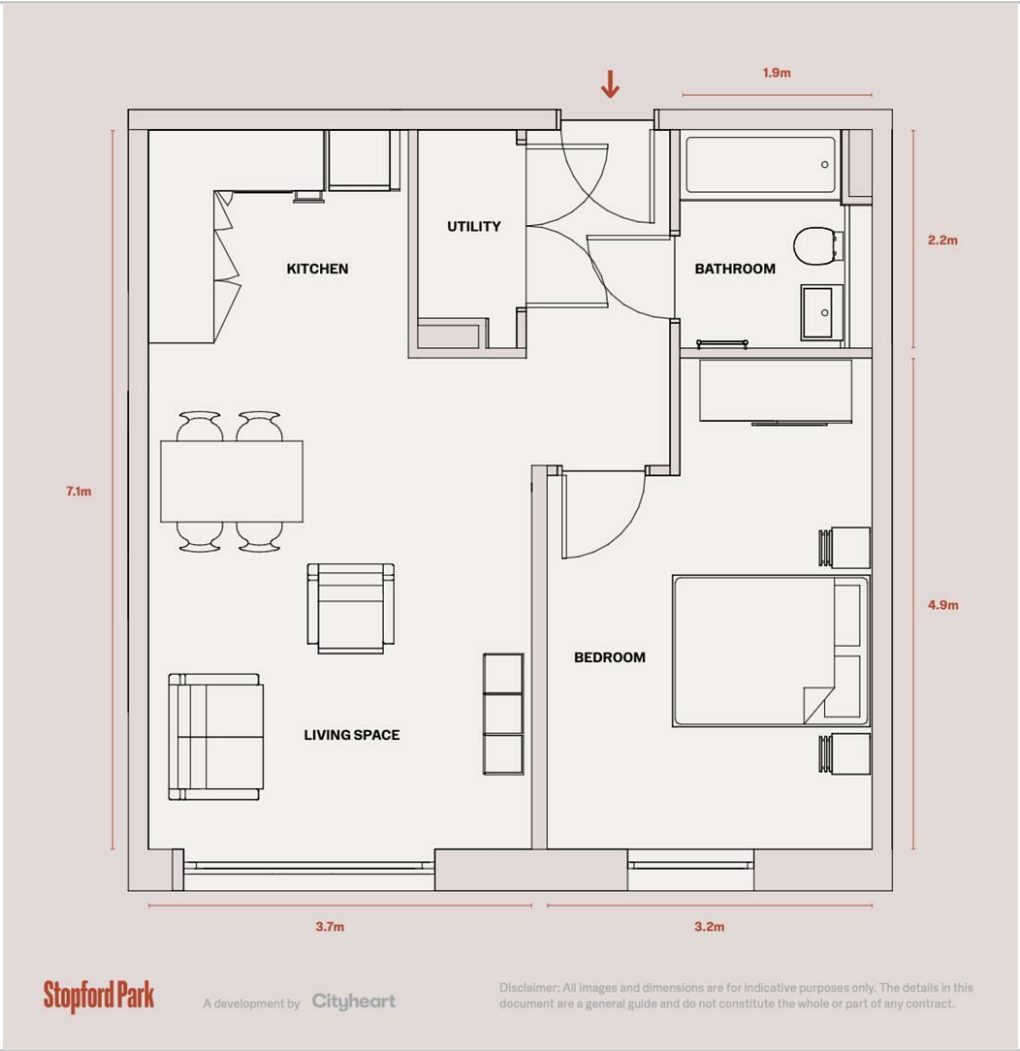

Development? No-ta! It's greater than that. A joyous new neighbourhood with beautiful apartments surrounded by green space, arts and culture. It is after all, Stockport.

The Art Park

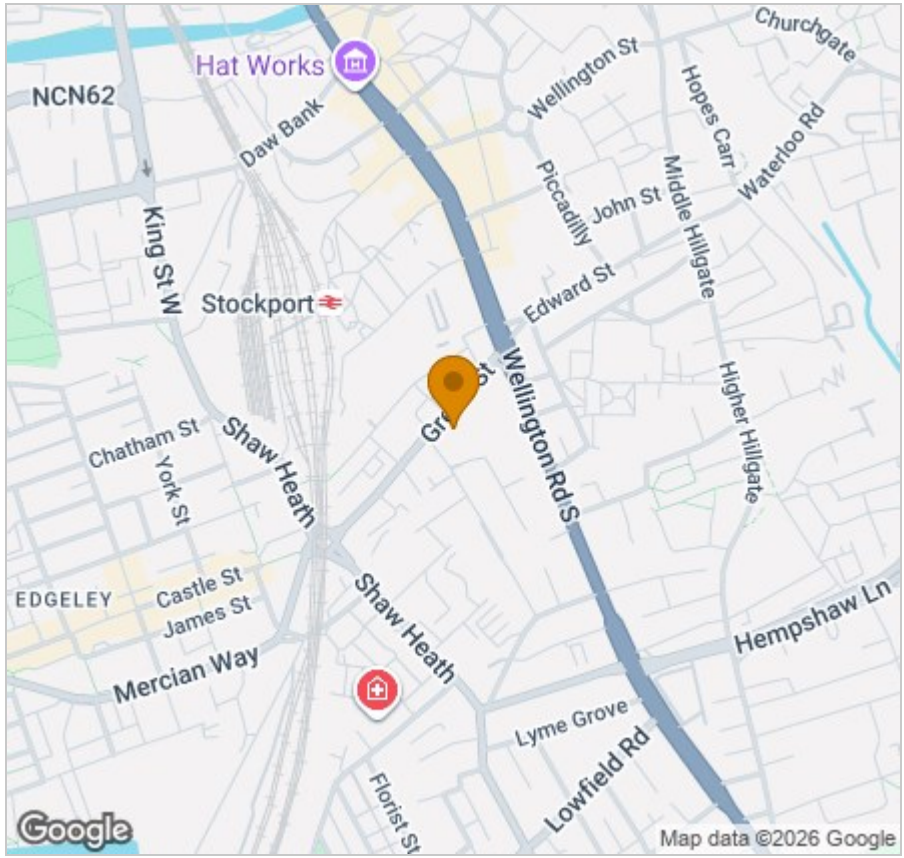

An ever-changing canvas of uniquely commissioned work from local artists on your doorstep. It's colour, life, energy and it's right here in the middle of Stopford Park. We will be working with artists to transform the park into a creative playground by introducing a small art trail of special art installations across the park, including Stockport's biggest hat. Want to add your work? Drop us a line.
