Rent To Buy:

The name Platform derives the unique opportunity to rent at a discounted market rate acting as a platform to save for a deposit to buy your apartment in the future. Along with its location next to Stockport train station allowing you to get to Manchester in eight minutes and London in under two hours.

Our thirteen apartment types have been thoughtfully named after iconic local landmarks, celebrating the area's vibrant past and promising future. Each name has been carefully chosen to reflect a piece of Stockport's rich heritage and unique character.

This two bedroom two bathroom apartment is available to rent now, on the first floor with a balcony and is a Tiviot style apartment.

The rent-to-buy scheme is made so you can 'try before you buy', supporting you while you find your way to own.

But there's no rush, and you don't have to make the decision next week. At Platform, you won't even need to make it next year. The whole point is easing you into the process one step at a time.
