The Tour

Beginning with an entrance hall, the open plan kitchen and dining space sits to the front of the property. Built-in appliances and cleverly arranged worktops ensure mealtimes are seamless and sociable.

Through to the back of the property is the living area, with bifold doors leading straight out to your patio and lawned garden, ideal for inside / outside living throughout the seasons. With a downstairs living WC under the stairs too, the ground floor is undoubtedly the hub of the home.

The first floor features two equally sized double bedrooms, sharing the family bathroom off the landing, whilst the second floor contains the principal bedroom with en-suite shower room. Additional storage space has been created under the eaves, so you can keep your living space decluttered.

The Location

Empress Court sits just off Manchester Road, north of Stockport. Within easy reach of the A6, M60 and Heaton Norris station, it's ideal for commuters, whilst the proximity to local schools as well as playgrounds and the Reddish Vale Country Park make it perfect for families or those wanting the balance of city living and leisure opportunities.
