The Tour

Entering from the 6th floor, you step into a welcoming hallway that immediately sets the tone for the rest of the apartment—bright, spacious, and thoughtfully laid out. Moving through, the space opens up into a generous open-plan living and kitchen area, designed to feel both airy and functional. Natural light pours in, enhancing the sense of space and creating a comfortable environment for relaxing or entertaining.

From the living area, doors lead out onto a private balcony—an ideal spot to enjoy a morning coffee or unwind in the evening while taking in the elevated views.

Continuing through the apartment, you'll find two well-proportioned double bedrooms, each complete with built-in wardrobes that offer ample storage without compromising on space. The main bedroom benefits from its own en-suite bathroom, providing added privacy and convenience, while a second modern bathroom serves the rest of the apartment.

The Area

Blackfriars, on the Salford side of the River Irwell, sits just a short walk from Manchester city centre, with easy access to Deansgate and Spinningfields.

The area has been transformed into a modern, city-centre neighbourhood with contemporary apartments and riverside developments. It's popular thanks to its convenience, vibrant atmosphere, and proximity to shops, restaurants, and transport links, while still offering pockets of green space nearby such as Peel Park.
