At 1,354 square feet, this four-bedroom home gives you and your family the space to grow. It offers a fully open plan ground floor, equipped with a kitchen/dining area, living room and a 'lootility', our cleverly designed combined toilet and utility room. Floor-to-ceiling triple glazed windows keep your home warm and let the natural light flood in, and large full height glass doors open out onto a spacious garden. The home offers two single bedrooms and two double bedrooms, the private main bedroom is made complete with an en-suite shower room and walk in dressing room.

You also benefit from three on-site parking spaces.
