

Oakdale Road, Weybridge, KT13 8EJ

Oakdale Road is one of central Weybridge's most sought after addresses, renowned for its attractive detached Victorian homes and convenient, central location. This attractive road of period properties sits just moments from Weybridge High Street, scenic riverside walks along the Thames and Wey, and lies within the catchment area for several highly regarded local schools. A particular highlight of this home is the impressive south-westerly facing rear garden, offering excellent size and natural sunlight.

The front door opens into a welcoming entrance hallway. To the front of the property, the main reception room features a bay window, character fireplace with log-burning stove, and wood flooring with underfloor heating. The refitted kitchen offers a wide range of contemporary eye and base level units with modern work surfaces, tiled flooring, and a door providing side access. A downstairs WC includes space and plumbing for a washing machine and tumble dryer.

A substantial rear extension creates a generous and versatile family living space, filled with natural light from skylights. This impressive room also benefits from a fireplace, wood flooring, and doors opening directly onto the south-westerly facing rear garden, making it ideal for both everyday family life and entertaining.

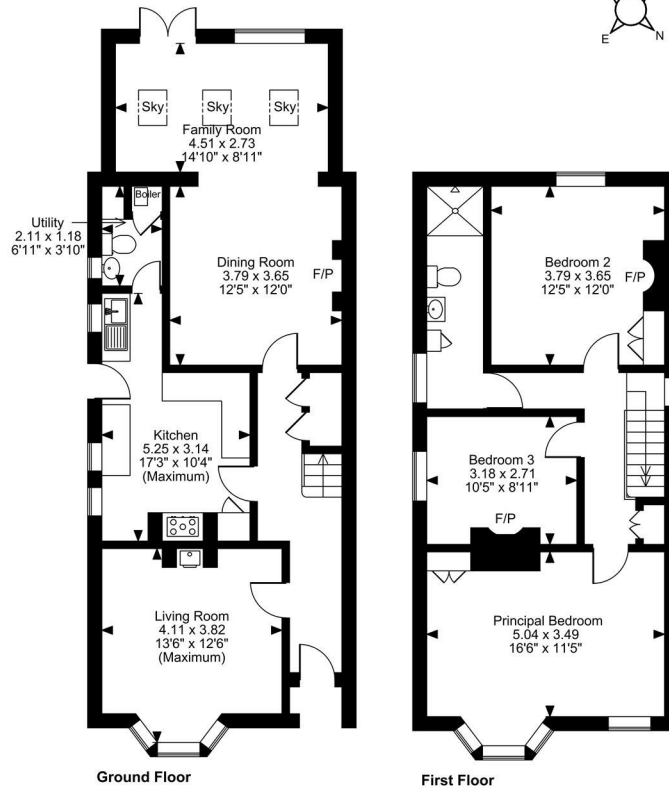

Stairs rise from the entrance hallway to the first floor. The principal bedroom is a spacious and light room with a bay window. There are two further well-proportioned bedrooms, both retaining character fireplaces, along with a refitted modern shower room featuring a large walk-in shower.

The well-maintained south-westerly rear garden is mainly laid to lawn with established shrub borders, a patio seating area, and a garden shed. A side gate provides access to the walled front garden.
