This ground floor garden apartment has been meticulously renovated to exude luxury while maintaining its period features. The contemporary fittings blend seamlessly with the traditional elements, creating a unique and stylish living space. The accommodation has been redesigned to offer fabulous room proportions connected by spacious hallways, providing a sense of flow and openness throughout the apartment.

The highlight of this apartment is the stunning kitchen, which serves as the heart of the home. The large central island with wood block worktops not only provides a functional workspace but also doubles as a social seating area for guests. The kitchen is equipped with built-in appliances and a blend of tiled and solid oak flooring, adding to the overall elegance of the space. Additionally, the kitchen provides access to the rear courtyard and a cosy snug, which could potentially be converted into a second bedroom to suit the needs of the residents.

The apartment also features a formal sitting room with a double glazed sash window and a feature fireplace, adding character and charm to the living space. The bathroom is equally impressive, boasting a large inset mirror and a modern white suite. The double bedroom completes the accommodation, offering a comfortable and inviting space to unwind.

Outside, the apartment offers a private outdoor space on the front South aspect, with a veranda providing a covered seating area and a lawn with mature hedges. Additionally, there is a communal bin store and allocated parking accessible via steps to the side of the building or by vehicles from Park Road, ensuring convenience for residents.
