St Albans, AL1 5LG

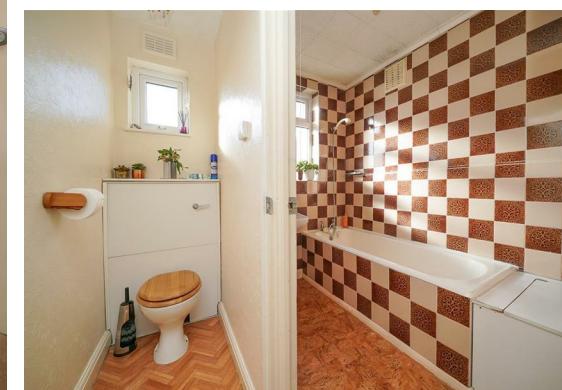

A 1930s bay-fronted semi-detached home with approved planning permission for side, rear, and loft extensions. Once complete, the property would offer an impressive 1,573 sq. ft / 146.2 sq. m of accommodation, creating a superb four-bedroom, two-bathroom family house. The current property offers scope for modernisation or reconfiguration and comprises a welcoming entrance hall with stairs to the first floor, doors to a bright bay-fronted lounge, and a sociable dining room leading to a rear addition with a light-filled sitting room featuring two side windows and sliding patio doors to the garden. There is also a functioning basic kitchen with a door providing access to the side. The first-floor landing has a hatch to the loft and doors to three bedrooms, a family bathroom, and a separate WC.

Externally, the property enjoys a pleasant frontage with a low-level brick wall and a driveway with double gates leading to a detached garage. The attractive, private south-facing rear garden features a patio area and lawn, offering an excellent outdoor space for relaxation and entertaining.
