St. Albans, AL1 4DP

A superb opportunity to purchase a delightful three-bedroom Victorian residence, ideally situated in the sought-after Bernards Heath area of St Albans. With great potential for updating, extending, or re-configuring (subject to planning permission), this home is perfect for buyers keen to design and personalise their ideal living space.

The property opens via a part-glazed front door into a bright, dual-aspect lounge/dining room. This inviting space features two double-glazed sash-style windows with plantation shutters, a gas fireplace, and stairs rising to the first floor. An inner lobby provides access to a contemporary shower room with a spacious enclosure and vanity unit, along with a separate W.C.

To the rear, the kitchen is fitted with a selection of wall and base units with work surfaces over, incorporating a sink unit and four-burner gas hob. A rear-facing window overlooks the garden, while a part-glazed door leads directly outside.

On the first floor, the landing includes access to the loft via a pull-down ladder, complete with a Velux window. The main bedroom benefits from two sash-style windows with shutters and built-in wardrobes, alongside two additional generously sized bedrooms.

Outside, the front of the property is enclosed by a low brick wall with a gated pathway leading to the entrance. The rear garden enjoys a pleasant south-easterly orientation offering a patio area leading onto a lawn, surrounded by established plants, shrubs, and trees, as well as a useful storage shed at the far end. A side gate provides easy access to the front of the property.

Heath Road is ideally positioned in the heart of Bernards Heath, within a comfortable 15-minute walk of St Albans City centre and the mainline station, offering fast links into London. The area is well-served by highly regarded local primary schools and is just moments from the open green spaces of Bernards Heath
