

Brampton Road, Bexleyheath
£550,000 Freehold

This spacious 3-4 bedroom semi-detached family home is being offered chain-free and presents an excellent opportunity for a buyer looking to create a larger, personalised home. The property benefits from two generously sized reception rooms, three well-proportioned bedrooms and a large side garage measuring approximately 21'5" x 10'7". There is significant potential to extend both to the side and rear, subject to the necessary planning permissions. The second bedroom is currently divided into two separate rooms, although this can easily be converted back into one large bedroom. The property also benefits from gas central heating and double glazing, with the exception of the W.C. While the house would benefit from some modernisation, its generous proportions and potential make it a particularly interesting opportunity. The property is conveniently located close to Bexleyheath train station, with local shops and amenities available along Pickford Lane and Brampton Road.
