Advert Summary

On the quiet cul-de-sac of Rydal Close in Fulwood, Preston, this two-bedroom semi-detached home is an excellent opportunity for first-time buyers or families looking to put their own stamp on a property.

Set back from the road, the house has a front garden and driveway that leads up to a detached garage, offering both parking and useful storage. Inside, you step straight into the reception room, a welcoming space with stairs leading to the first floor. The kitchen sits at the back of the house and has a side door to the gate, which opens onto a fantastic rear garden. The size of this garden really sets the property apart, it's a much larger plot than you may expect, offering the chance to create a great outdoor family space.

Upstairs, there are two double bedrooms, both well-sized, along with a bathroom currently set up as a wet-room. The property does need some updating, but that gives you the perfect chance to modernise and style it to suit your own needs.

The location is also a big plus for families. Moor Park and Preston North End Football Club are just a short trip away via Watling Street Road, and Royal Preston Hospital is easily accessible through Sharoe Green Lane. With shops, schools, and transport links all close by, this is a well-connected spot to call home.

This home combines great potential with a generous garden, a detached garage, and a family-friendly location.
