One of three brand new high specification 'Rivendale Gold Spec' properties nearing completion in a semi-rural setting within the popular village of West Winterslow. Each property is individual in style and boasts underfloor heating, air source heat pump, Quooker tap and Quartz worktop.

The front door leads to the light and spacious hallway which has a useful coat cupboard and has the access to the fantastic double aspect kitchen/dining area which will no doubt be the heart of the home. The open-plan living opens up to the patio with bi-fold doors. Off the main living space, there is a cosy snug and a utility room.

The kitchen /living area has Symphony floor and wall units, Quartz worktops, Quooker tap, Bosch, Hotpoint and Elica appliances including induction hob with extractor, fridge/freezer, wine cooler and dishwasher. From the hallway there is an ensuite bedroom, whilst upstairs, there is an additional ensuite bedroom, a further double bedroom and a bathroom.
