

Middleton Road, Winterslow

A fashionably unmodernised detached bungalow, which offers an extraordinary opportunity to the incoming purchaser to upgrade and improve a two bedroom home.

This charming double fronted bungalow offers an enormous amount of potential to be remodelled and modernised throughout. The perfectly proportioned accommodation comprises a dual aspect sitting room with electric fireplace, well-arranged kitchen with garden access via the south facing sunroom, two double bedrooms and a family bathroom. There is off road parking for several vehicles, with the property situated at the end of a no-through road.

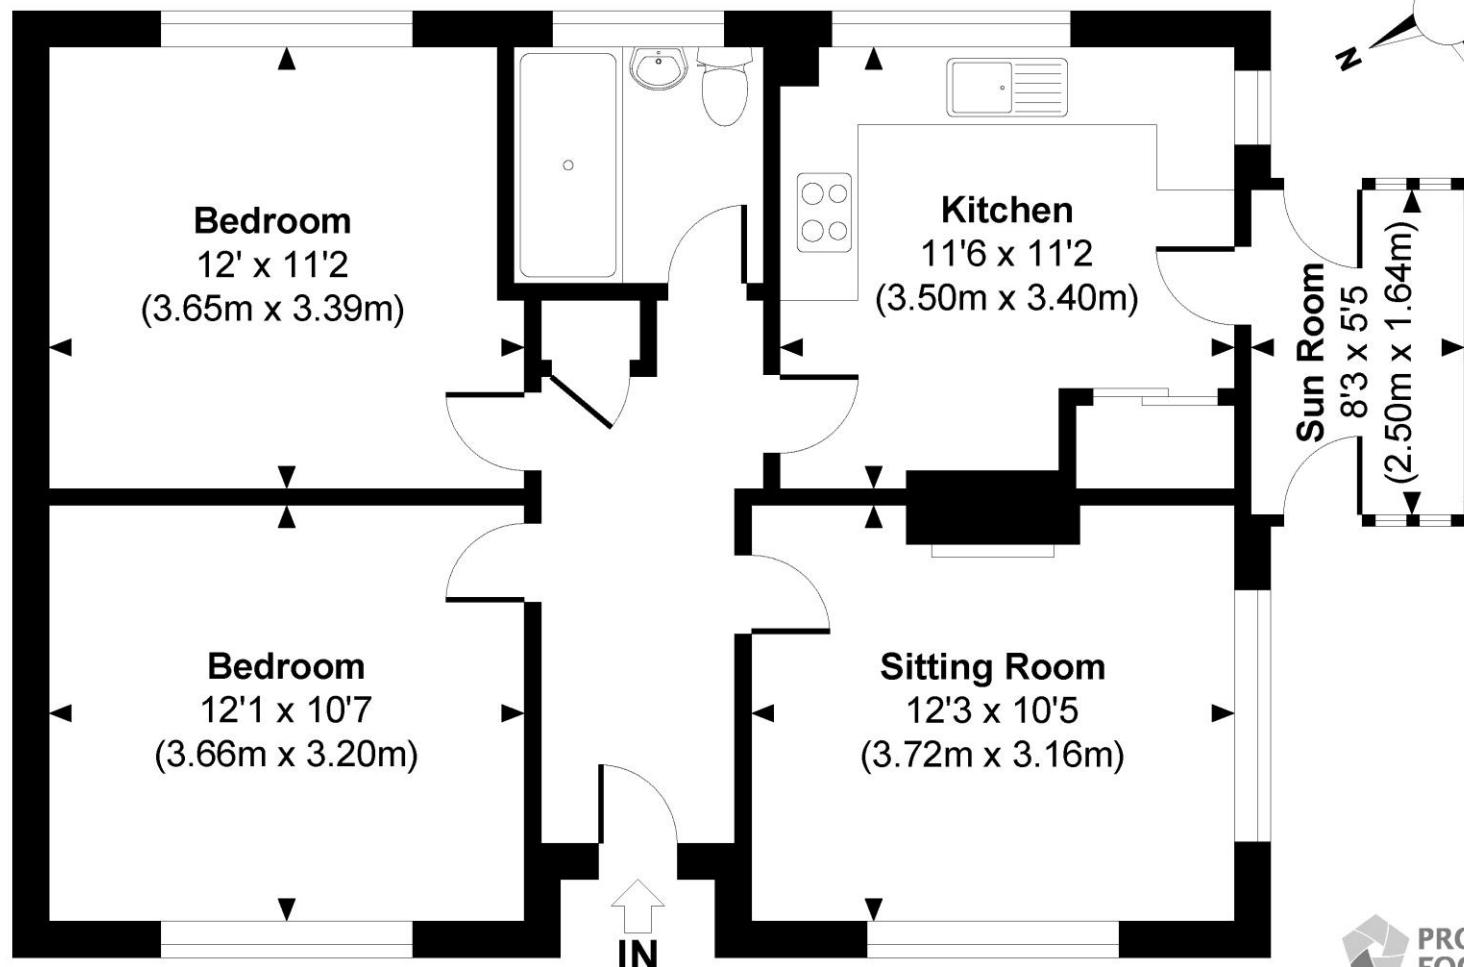

Externally, there is an extremely attractive and well maintained lawn garden, surrounding the property on three sides. All told the garden amounts to approximately 1/4 of an acre, and is bordered by planted trees, mature hedges and shrubs. It is thought the property has potential to extend, subject to the usual consents.

Winterslow is a large, thriving and active village approximately 7 miles east of Salisbury. Being a larger village, it is able to support a good village store with a Post Office, an excellent primary school, several churches, two public houses, a doctors surgery and an active village hall. The surrounding countryside is very appealing for walking, riding and other outdoor pursuits, while the Cathedral city of Salisbury has an excellent range of educational, leisure and cultural facilities. Salisbury has a mainline railway station with trains to London Waterloo; trains from Salisbury Station also stop at Grateley, which is about 5 miles to the north of Winterslow. There are bus routes available which travel through the village to both Salisbury and Andover.
