The Property

Hurstlea is a fantastic detached bungalow set on the edge of the idyllic Hampshire village of Middle Wallop, with stunning views across fields and countryside from the wrap-around gardens.

The property is built of brick elevations under a tiled roof and has been very well maintained.

The house enters into a porchway and hallway which gives access to the three bedrooms at the front of the property and the fourth bedroom to the side, which is currently used as a family room.

The hallway gives further access to the family bathroom, separate toilet/shower room, useful utility which leads through to the kitchen and stairs to second floors large fifth bedroom and ensuite shower room. This floor has particularly excellent views over the surrounding fields.

The well-appointed kitchen / dining room has been brilliantly designed with ample counter space, above and below counter storage and a rangemaster oven. There is access to the driveway/garden from the kitchen. The dining area very easily accommodates a dining table and chairs and has French double doors opening out on to a patio area in the garden-perfect for al fresco dining.

At the rear of the property is the large sitting room which is accessed through the kitchen and has an excellent wood burner. Leading on from the sitting room is the delightful conservatory and access to the garden, completing the accommodation.

Services - Mains water and electricity, oil central heating, gas/propane for hob, one septic tank (newly installed)

Ofcom suggests broadband speeds of up to 1000 Mbps and that most major mobile networks should have full connectivity.

Outside

Hurstlea is encompassed by the wonderful large gardens, set on a plot of approximately one third of an acre.

To the front of the property is the driveway with enough space for 6 cars plus the double garage which may be used for storage or a workshop.

To the rear and west side of the property is a mixture of well-maintained flower beds, trees and hedgerows. There are two patio areas next to the dining room and on the other side of the sitting room. A gravelled area, greenhouse and large shed all surround a productive vegetable patch.

The gardens themselves are very private due to the neighbouring properties also being bungalows.
