Having recently undergone a full programme of modernisation and renovation, this deceptively spacious (approximately 1,500 square feet) detached bungalow is situated on a large 1/4 acre elevated plot which could also offer further opportunity to extend both to the rear and the side.

Offering a flexible layout which benefits from a cosy lounge to the front (which could be used as a 3rd bedroom) and a fabulous open plan living dining kitchen to the rear overlooking the garden, the property has a beautiful light and bright ambience.

Situated in one of East Yorkshire's most sought after villages, such properties are rarely available. The elevated position provides for glorious views from the living dining kitchen and master bedroom over open countryside.

LOCATION

The property is located on the eastern side of North Road, midway between its junction with The Green and the B1248, situated next door to Lund House.

Lund lies some six miles north of Beverley and on the edge of the Yorkshire Wolds, surrounded by attractive rolling countryside. Lund is largely seen as the premium of the sought after villages located just to the north of Beverley. Lying just off the Beverley to Malton Road and in the heart of East Yorkshire, the position allows for ease of access to these market towns. Lund has a highly regarded public house and restaurant, The Wellington Inn, and the Michelin Star Pipe & Glass Inn is located close by in South Dalton.
