Positioned in an idyllic central village location fronting onto the beck, this handsome double-fronted residence is constructed of the warm local stone and blends historic, cosy character with a truly superb setting.

#### Reception/Living Rooms

At the centre of the property lies a magnificent, light-filled kitchen and breakfast room. This space serves as the true anchor of the home, featuring beautifully crafted cabinetry, large centre island/breakfast bar, quartz worktops and an electric Everhot stove. Two skylights and French doors invite natural light to pour in, opening directly onto the South-facing garden terrace. Practicality is equally well-considered, with a large utility room and a bespoke boot room.

The living spaces are designed to wrap around three sides of the private garden, creating a sheltered and cohesive layout that caters to every requirement of a growing family. The reception rooms include an impressive sitting room - double-height and spanning over 28 feet and featuring bifold doors and newly laid parquet flooring, a cosy snug, a dining room, a office/library, a games room - with space for a billiard table, and a further family room - which are linked by glazed internal doors and an oversized barn door that nods to the building's history.

#### Bedrooms

The accommodation is attractively arranged to provide privacy for guests and residents alike. The Southern wing (accessed from the games room) serves as an ideal guest/independent living retreat with two en-suite bedrooms. In the main part of the house, the principal suite has a dedicated dressing room and a bathroom featuring underfloor heating. The two further bedrooms are generously proportioned doubles with en-suite facilities.

#### Gardens and Outbuildings

The Southerly-facing courtyard garden was professionally landscaped in 2024 to create an incredibly private sanctuary. Three limestone terraces offer the perfect setting for al fresco dining, overlooking a manicured lawn and architectural topiary.

Access is gained through secure electric gates leading to a large gravelled parking area and a substantial stone-built range of garages. These includes a triple garage currently utilised as a gym and workshop, alongside a further double garage with a versatile first-floor storage room - all offering great flexibility of useage.

#### LOCATION

The property is located on the south side of Eastgate close to the centre of the village and fronting onto the beck. North Newbald is situated at the foot of the Yorkshire Wolds and is a well-regarded residential village centred on an expansive village green and lying just off the A1034 which links the M62 with Market Weighton, Pocklington and York. Local facilities including a fine Norman church, a village hall, two public houses and a primary school. A broader array of amenities can be found in the small market town of Market Weighton with shops, a library and Tesco some 4 miles distant, Beverley 9 miles, Hull 12 miles and York 24 miles. There is also ease of access onto the A63/M62 and national motorway network beyond.
