A wonderfully warm and welcoming modern property constructed in 2012 by the highly regarded local developer Jonathan Walker, located within the heart of this most picturesque Wolds village and nestled within a Dale. Benefitting from a beautifully presented Southerly facing garden with expansive views overlooking the rising Dale to the rear.

Church Beck House extends to in excess of 2,500 square feet over two floors and features the most incredible open plan kitchen/day room with 3-oven Aga and a garden room, also having a further spacious reception room, large study, utility and cloakroom at ground floor level. Sealed unit double glazing is installed throughout.

The four double bedrooms are all extremely well-proportioned, two of which have en-suite facilities, along with a delightful family bathroom and complemented by the first floor galleried landing. An air source heat pump provides underfloor heating at ground and first floors and domestic hot water. Additionally, there is a solar panel installation.

The property is approached via a private gravelled driveway with gated access to car parking and double garage, whilst to the rear of the house is a raised terrace overlooking the beautifully presented gardens which meander down to the running Church Beck, from which the house takes its name, and adjoins open countryside with panoramic views. The plot extends to around one quarter of an acre. It is rare that a property of this quality is available on the open market and viewers will not be disappointed at the beautiful quality and outstanding presentation of this home.

LOCATION

North Newbald is situated at the foot of the Yorkshire Wolds and is a well-regarded residential village centred on an expansive village green with local facilities including a fine Norman church, a village hall, two public houses and a primary school. The village is well placed for access to the small market town of Market Weighton with shops, a library and Tesco some 4 miles distant, Beverley 9 miles, Hull 12 miles and York 24 miles. There is also ease of access onto the A63/M62 and national motorway network beyond.
