Beautifully landscaped and a perfect backdrop to what is a truly amazing property. Being predominantly laid to lawn, the landscaping consists of various zoned areas. A terraced patio area with a central pond provides a great outside entertainment area with 'secret' lawned garden beyond and a further garden area leading down to the conservatory with the 'piece de resistance' being the fish pond which fringes onto the conservatory. A truly calming area with walled, planted borders and pergolas leading to the various sections of the garden.
