LOCATION

Located on Elveley Drive, the property provides an ideal base for access to West Ella, Swanland, Kirk Ella, Hull city centre, A63/M62 trunk routes, and is also only 8 miles from the historic market town of Beverley. West Ella is definitely one of the most desirable places to live in East Yorkshire. The picture postcard village of West Ella lies centrally between Kirk Ella and Swanland on the Eastern edge of the Yorkshire Wolds. The village lies on West Ella Road and was beautified by the owners of the Sykes family in the 19th Century and as a consequence much of the area is now a Conservation Area with many Listed Buildings. The village is characterised by its white pebble dash cottages and is well placed for the surrounding area's shops, schools and amenities including many conveniently placed supermarkets. A variety of sporting facilities are also to hand with the well renowned Hull Golf Club situated approximately 1 mile away.
