OUTSIDE

The property is set back from the road with a privet hedge forming the front boundary. A path provides pedestrian access to the front door. The garden is mature with a large evergreen tree which offers a good level of privacy to the living room. Access can be gained down the side of the house through a timber gate.

The rear garden is southerly facing with a patio area adjacent to the rear of the house. To one side and partially enclosed by the kitchen is a further "sun trap" seating area which also makes the most of the south and westerly aspect. The garden has a central lawn and wide and well stocked flower borders and to the rear there is a large double garage with electric vehicular door and side courtesy door providing access from the garden. Accessed through a timber gate from the garden is a further brick sett parking space.
