A deceptively spacious extended family house which has the additional benefit of a boarded loft space with fixed staircase off the principal bedroom. Offered to the market with no onward chain and having a recently replaced boiler (Nov '23), the house perhaps requires some TLC, although many of the rooms have just been redecorated and some of the carpets have been replaced.

Situated at the head of a small cul de sac in this very conveniently located area of Willerby, ideal for the major road network and local shops, the property could also benefit from parking to the front or the rear (from a ten foot and subject to the necessary permissions).

Competitively priced for a quick sale, the house also offers a large timber shed/lodge to the rear of the garden which could be used as an office, gym or workshop.

LOCATION

The property is situated at the head of a small cul de sac leading off from Hazelbarrow Drive. Conveniently located close to the major road networks which link the West Hull Villages with the City Centre, the property is well placed to access the broad array of local amenities both on Springfield Way and in Anlaby.

OUTSIDE

The property is set back from the head of the cul-de-sac with the front garden laid under gravel for ease of maintenance. We have been informed by the current owner that the property could have the kerb dropped to create parking on the front similar to neighbouring properties.

The rear garden has been laid under artificial lawn with ease of maintenance with a brick sett patio adjacent to the kitchen. To the rear of the garden is a large timber cabin which although does require maintenance would be ideal for use as a large home office, gym, bar or cinema room. Further, the current owner had planned to build a garage on this space having access from a tenfoot to the rear. The garden also benefits from a newly constructed fence to one side.

SERVICES

All mains services are available or connected to the property.

CENTRAL HEATING

The property benefits from a gas fired central heating system.

DOUBLE GLAZING

The property benefits from uPVC double glazing.

TENURE

We believe the tenure of the property to be Freehold (this will be confirmed by the vendor's solicitor).
