PROPERTY DETAILS

Baytree House is an exceptional detached Victorian villa, dating from the late 1800s and widely regarded as one of the area's most impressive remaining period homes. Ideally positioned within a short walk of Alexandra Park—accessed via its own private pathway—as well as local bus routes, Hastings Town Centre, the historic Old Town, seafront and mainline railway station with direct links to London.

This substantial property offers beautifully proportioned and highly versatile accommodation arranged over four floors. Currently operated as a successful family-run vegan bed & breakfast, it presents an exciting opportunity for a magnificent private residence, multi-generational living, or a home-and-income venture.

Set within generous grounds, Baytree House is approached via a sweeping carriage driveway providing in-and-out access, while the tiered rear gardens enjoy an elevated position with far-reaching views across Hastings towards Alexandra Park.

The interior is rich in character, showcasing an abundance of original features including fireplaces, high ceilings, decorative mouldings and striking arched bay windows. There are 11 bedrooms in total, many with en-suite facilities, all finished to an excellent standard, complemented by elegant and spacious reception rooms.

At garden level, a standout feature is the impressive 25'3 x 19'9 studio room, alongside a licensed bar area (16'0 x 15'0), laundry rooms and a cellar/store of approximately 500 sq ft. Further accommodation includes a garage, side paved terrace, and an L-shaped kitchen/breakfast room opening into a generous dining area, which in turn leads onto a private balcony.

A truly remarkable home offering exceptional space, flexibility and lifestyle potential in a highly sought-after central location. Early viewing is essential to fully appreciate all that this unique property has to offer.
