Located in the heart of Hastings' vibrant and historic Old Town, this spacious one-bedroom first floor apartment offers an excellent opportunity for buyers looking to add value and create a bespoke living space. In need of some modernisation, the property provides a fantastic blank canvas in a highly sought-after location, just moments from the seafront and surrounded by the character and charm of the Old Town's independent shops, galleries, cafés and pubs.

Accessed via a communal entrance, the apartment opens into a welcoming entrance hall, which leads through to a generously sized lounge and double bedroom. Both rooms are filled with natural light thanks to attractive bay windows overlooking the bustling High Street, and offer great proportions with high ceilings and original features that hint at the property's potential.

The bathroom is located off the hallway and offers space for reconfiguration or updating to suit modern tastes. Towards the rear of the apartment, a few steps lead up to a separate kitchen which overlooks the quiet and picturesque Sinnock Square – a rare view that adds a touch of tranquillity to this centrally located home.

Further benefits include a long lease circa 999 years remaining & a manageable service charge of £100 per month.

Whether you're a first-time buyer, an investor, or looking for a charming pied-à-terre by the sea, this property is full of potential. With its unbeatable location, generous layout, and scope for improvement, early viewing is highly recommended through sole agents Just Property.
