PROPERTY DETAILS

Approached via a private lane, this hidden oasis is a 2 minute walk from the beach but surrounded by countryside. The electric gates open to a spacious drive with parking for 6+ cars, plus a garage. Level Edge is an adaptable 3/4 bed, 2 reception room home, with extra accommodation in two annex outbuildings.

The large kitchen diner is the heart of the home, a fabulous entertaining space, with newly fitted bifold doors opening to the garden, bordered by a stream, with stunning views of Pett Level and the Firehills. This flows to a light and airy sitting room with a new lantern roof, a log burner, and two sets of patio doors to view the garden.

There are two downstairs bedrooms, currently used as a snug and an office, plus a useful utility room and a toilet.

Upstairs, the main bedroom boasts a large balcony overlooking the garden and views – the perfect spot for watching the glorious sunsets. Bedroom 2 has an en-suite and there is also a family bathroom.

Outside, the large south facing garden is a tranquil retreat, divided into sections, including an area of raised flower/vegetable beds, a courtyard with a small pond, fruit trees and more. Frequented by wildlife, it is a nature lovers dream.

Providing the opportunity for income from Air B&B, working from home or guest accommodation, included is a converted 1 bed caravan, with stained glass windows, a log burner, it's own decking and pretty garden. A further lodge has been converted to a self contained studio with its own sunny courtyard. There is also a small summerhouse/office and numerous sheds.

Fitted with solar panels for energy efficiency, this flexible home will appeal to those seeking a peaceful yet not isolated, picturesque retreat that is still within a few minutes walk of the beach and village. W3W best/jolt/sanded
