THE DETAIL _____

abbotFox presents this deceptively spacious two bedroom end terrace home, occupying an enviable corner plot position within a popular and well connected residential setting to the West of Norwich.

The accommodation is neatly arranged and comprises an entrance hall, generous lounge, fitted kitchen, and separate utility / conservatory room that provides access to a converted outbuilding, now functioning as a useful shower room, adding further practicality and versatility to the home. To the first floor are two well proportioned double bedrooms, both serviced by a family bathroom.

Externally, the standout corner plot provides an excellent degree of outside space, with potential for further landscaping or extension potential subject to the necessary planning permissions.

The location offers convenient access to a wealth of local amenities, schooling, regular public transport links, and Norwich city centre, making this an ideal opportunity for first-time buyers, investors, or those seeking a well-positioned home with future potential. Offered to the market with no onward chain, an internal viewing comes highly recommended.
