Well appointed within the estate is this two bed semi detached villa on good corner plot with generous gardens to front and rear. The property requires upgrading throughout and is an ideal starter home or would also suit someone looking for a development project. The accommodation briefly comprises entrance hall, lounge/diner, kitchen and on the upper level two double bedrooms and bathroom. Access to attic. The property is double glazed with gas central heating. Ample on street parking. Early entry available.

LOCATION

The ancient capital of Dunfermline won its bid to have official city status in May 2022, as part of the civic honours competition to celebrate Queen Elizabeth's platinum jubilee. The honour was officially conferred by King Charles in a ceremony in Dunfermline city chambers on 3rd October 2022. The Royal Burgh is of considerable historic interest and is the resting place of King Robert the Bruce. Carnegie's Birthplace museum, the Abbey and Abbot House also reflect the historic interest of the city, whilst recent developments have seen Dunfermline move into the modern era. Dunfermline is located approximately five miles from the Forth bridges and is therefore particularly popular with commuters to Edinburgh and many parts of the central belt with easy access to the M90 motorway with its direct links to Edinburgh, Perth, Dundee and across the Kincardine Bridge by way of motorways to Stirling, Glasgow and the West. Dunfermline benefits from a full range of shops, social and leisure facilities and educational establishments associated with a modern city. The local railway stations provide regular services to Edinburgh with rail links to other parts of the UK. There are also regular and convenient bus services both local and national with bus stations available in the centre of Dunfermline and park and ride services available from Halbeath and Inverkeithing.

AGENTS NOTE

From 1st February 2022, residential properties in Scotland are required by law to have installed a system of inter-linked smoke alarms, carbon monoxide detectors and heat detectors (the "inter-linked system"). No warranty is given that any interlinked system has been installed in this property and interested parties should make their own enquiries. The owner will not warrant the working order of the fixtures and fittings or appliances which are included in the sale price or white goods. This property is being sold in its present condition and no warranty will be given to any purchaser with regard to the existence or condition of the services or any heating or other system within the property. Any intending purchaser will require to accept the position as it exists.
