Plenty of gated driveway parking is offered to the front and side aspects before an extensive range of outbuildings including garaging. The gardens are a delightful space and immaculately maintained which then extends into the peaceful forest area beyond-in all extending to approx 5 acres.

AGENTS NOTES: The property is oil fired centrally heated. The five acres include formal gardens to rear, front and side and forest area beyond-all of which has a fenced boundary. The property was built in approx 1920 and has been extended and altered over the years.
