Offers Over £105,000

Hive Estates are delighted to present to the market this lovely two-bedroom terraced home located on Clydesdale Mount in Byker, a quiet residential street benefiting from both front and rear garden space and offering excellent kerb appeal.

The spacious and bright living room spans the full length of the property, featuring a large front facing window and patio doors leading to the rear garden, allowing plenty of natural light to flood the space. The room is neutrally decorated with beige carpeting, a feature fireplace, a useful storage cupboard, and ample space for both living and dining furniture. The kitchen offers a good range of wood effect wall and base units with black worktops, an integrated oven and hob, tiled flooring, and plenty of space for freestanding appliances.

The principal bedroom is a generous double room, finished with neutral decor and beige carpeting. Large windows create a bright atmosphere, while built-in sliding door wardrobes spanning an entire wall provide excellent storage. The second bedroom is slightly smaller but mirrors the décor of the main bedroom and would be ideal as a nursery, home office, dressing room, or guest bedroom. The bathroom is finished with floor to ceiling white marble effect tiling, complemented by a decorative feature border. It comprises a walk-in shower, vanity wash basin with storage, and WC.

Externally, the front garden features well maintained flower beds and steps leading to the entrance, creating an attractive and low maintenance outdoor space. To the rear, there is a decked seating area with steps leading down to a gravelled garden, offering a low-maintenance setting with potential for additional planting or landscaping. The garden enjoys a sunny west-facing aspect, taking full advantage of impressive views over the River Tyne, St James' Park, and the wider Newcastle skyline, creating an ideal space for relaxing and entertaining. Ideally situated close to a range of local shops, excellent transport links, and Welbeck Academy, this property would make an ideal first-time purchase or investment opportunity.
